International Student Program

HOST CODE OF CONDUCT

Because the host family plays a critical role in the international student's experience, the home should be a safe, supportive and culturally sensitive haven. In such a home, the student is valued and respected as a member of the family. There is a strong expectation of a fair exchange of artistic and philosophical diversity which will enrich this experience for everyone. Recognizing that each student is a child of God, it is a joy to welcome these individuals to our country and our home.

The undersigned hosts agree to abide by the following course of conduct:

1. Hosts will include international students in family life, help with cultural adjustments and take students to areas of interest.
2. Hosts will respect the privacy, property, and bodily integrity of students.
3. Hosts will provide clear written instructions regarding household rules and customs that they expect the international student to follow.
4. Hosts will refrain from engaging in any illegal activities.
5. Hosts may not have their home for sale during the international student's stay.
6. Hosts will not allow students to engage in any illegal activity on the Hosts' premises to the best of the Hosts' knowledge.
7. Hosts will not charge students for any additional costs.
8. Hosts will inform Father Lopez if any of their information changes on their host application.

The parties certify that they have read this agreement and agree to be bound hereto.
