

Parent Club Minutes
April 12, 2010

Old Business

2010 – 2011 meetings may be changed to Tuesday evenings following the Booster Club meetings

Gift cards for movies and dinner were purchased for Mrs. Bailey and her son, Christopher, as a thank-you for providing all staff-appreciation gifts.

Two yearbooks will be purchased for two underclassmen who are members of the yearbook staff.

Scholarship money will be used to provide textbooks for students in need.

The Celebration basket raised approximately \$300.

New Business

New presidents – Julie Eads and Lisa (I'm sorry, but I missed her last name.)

Sir Walter Uniforms will coordinate new uniform sales. The Parent Club will no longer have this as a fund-raising opportunity.

Used books and used uniforms will be sold by the Parent Club. Parents/students will complete forms indicating who is selling the textbook and the price for the used textbook. Checks will be sent to families after the sale of the books. Tentative collection times and dates are:

Seniors – May 20 and 21 from 11:00 – 1:00

Underclassmen – following exams the last two days exams are given

Used Textbook and Uniform Sale – June 26

Parents still have the option of sending books back to book distribution center.

Mrs. Snyder will collect uniforms and textbooks families wish to donate instead of selling. The items will be passed along to the Parent Club.

Future of the Parent Club

May become part of PAC

May become a service/spiritual organization

May only meet 4 times per year – each meeting will take place at a different location in the county to make it possible for more parents to become involved

Next Meeting – May 10 – location to be announced
