Saturday, October 12

Astrowave [Homecoming Dance](#), 8-10:30p in the MPC

From the Principal's Desk

Dear Lopez Families,

As we go into homecoming week, we are hopeful that the hot rays will give way to cool breezes. I am pleased to say that in spite of Hurricane Dorian, we will still be enjoying a full week of vacation for the Thanksgiving holiday - - when it actually should be a little cooler. In order to make this happen, we had to add back a day that was formerly planned as a teacher work day. **We will be in session on October 14th.**

Homecoming week is upon us! Please join us for the festivities. Click [here](#) to see the activities and dress downs for the week. Our events will culminate with the Friday night football game and the Saturday night dance. For the game, we will be expanding our concessions to include some of our favorite offerings from Chef Ray. Alumni will have a special seating section in the end zone, in addition to space designated in the stands. At halftime, we will be presenting our homecoming court. For the dance, we have had excellent ticket sales, and are expecting a great event. Please note that students will all be checked into the dance and we will be using the breathalyzer, like we have in previous years. This measure is meant to help ensure the safety of our students. We will be contacting families if your child is not checked in by 8:30. If your student bought a ticket but then decides not to attend, please let us know as soon as possible. Students will be expected to stay for the duration of the dance. Seniors will have VIP parking and a chance to leave the dance a few minutes early at 10:15. All other students will be expected to stay for the duration. The dance ends at 10:30.

We celebrated Mass together as a community on Wednesday this week. Considering that we celebrate Mass in a gym, where we are often cheering and competing, our students are very reverent and respectful. Each week I am especially inspired by our students who serve as lectors, cantors, musicians, altar servers, and extraordinary ministers of the Holy Eucharist. I am also thankful to the visiting priests and deacons, who use this time to convey important messages about our faith to our students. After Mass this week, I asked the community to pray together with me to Our Blessed Mother. We are so very blessed to have the freedom to pray. During this month of the rosary, take a moment to find out more about the rich and faithful tradition of this prayer. Click [here](#) to read more about the history of the Rosary and how it has led so many from all walks of life to the peace and contentment we all long for.

Peace be with you,

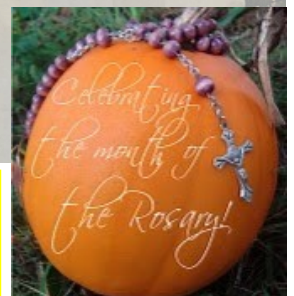

Leigh Svajko
Principal

SAVE THE DATES

Friday, October 11 - Noon Dismissal (HoCo Activities Day)

Monday, October 14 - Hurricane Make-Up Day

Wednesday, October 16 - Noon Dismissal (PSAT Testing)

PSAT Testing Day

Wednesday, October 16

All students in grades 9-11 are expected to attend and should arrive at school by 7:45a for an 8a test start. Students arriving after testing has begun will not be admitted to their testing room.

Testing will end around noon. Students will not be dismissed until all regular testing is complete. Buses will leave approximately 15 minutes after dismissal. All students should leave immediately after dismissal. Please plan accordingly for pick up.
